

THE WENCESLAS PROJECT

Energy costs are rising — can you help those in poverty?

With the changes being made to Winter Fuel Payments, there are many people worried about whether they will be able to heat their homes this winter. You can donate any amount to the Wenceslas Project to help those affected.

All funds will help those struggling with electricity and gas bills, as well as enables energy efficient appliances to be purchased. Citizens Advice Epsom & Ewell manages the distribution for the benefit of local people in fuel poverty, direct to fuel suppliers with no deductions for costs or fees.

For more information on this scheme or to donate please visit your local rotary website:
